

Hello CA Plex/2E Community,

We are pleased to announce a variety of webcasts taking place on April 2<sup>nd</sup>, which will provide an overview of topics that many CA Plex and CA 2E users have been interested in. Information and online registration is located at: <http://www.ca.com/us/events/item.aspx?e=201227&eis=1>.

This "blitz" format offers you the opportunity to get a fast overview of 4-5 themes via short factual presentations and demos. Each presentation including demo will last approximately 30 minutes.

This web conference is also a chance for you to get a tiny taste of some of the subjects that will be presented in greater depth at the upcoming European User Group meetings and the 4<sup>th</sup> Worldwide CA Plex and CA 2E User Conference in Miami/Ft Lauderdale, Florida, September 23-25, 2009.

To directly register online: <https://www.ca.com/us/register/event.aspx?e=201227&eis=1>.

Agenda (all times US Eastern):

- 9:00 a.m. Ajax in Action — ADC Austin Tech
- 9:30 a.m. Customer Spotlight — AQRATE Systems, Desynit Ltd.
- 10:00 a.m. SOA in Action — Websydian A/S
- 10:30 a.m. ALM Update (2E and Plex) — Marty Acks, MKS —  
Christoph Heinrich, CM First
- 11:00 a.m. - 12:00 p.m. Preview of 4th CA Plex/2E Developer Conference in  
Miami/Ft Lauderdale, FL USA — Bill Hunt, CA

We hope you'll join us for this informative series of webcasts exclusively for the CA Plex/2E user community.
